FIRST FRIDAY DEVOTION AND BENEDICTION

The new time is 4:30 - 5:00PM. The Sacrament of Reconciliation will not be available during Adoration. Please stop in on your way home from work and spend a few minutes with Our Lord and receive His blessing.

ANNUAL HUMAN LIFE GUILD DAY

"Each of us is a Masterpiece of God's Creation" will take place on Saturday, September 27 from 9:00 a.m. – 4:00 p.m. at St. Philip's in Greenville. Human Life Guild Day is a time to bring people of life together for prayer and to raise awareness of the issues and challenges of today's society. This year's theme is taken from a quote developed from Pope Francis' Day for Life greeting: "Even the weakest and most vulnerable, the sick, the old, the unborn and the poor are masterpieces of God's creation, made in his own image..."

RACHEL'S VINEYARD RETREAT WEEKEND

Friday, October 17 to Sunday, October 19. This special weekend retreat is part of the post-abortion ministry offered through the Diocesan Office of Life and Family and falls under the umbrella of Project Rachel – a Catholic outreach ministry of healing and reconciliation comprised of one-on-one sessions with a priest who will welcome and counsel in a prayerful atmosphere of respect and sensitivity. The weekend retreat helps those who have been touched by abortion to process the emotional and spiritual trauma that often follows the experience through scripturally based exercises.

A Reflection From Mother Teresa

This Friday, September 5th is the feast day of Blessed Teresa of Calcutta. Below is part of her speech given to the Beijing Conference on being the unique creations God called us forth to be.

"I do not understand why some people are saying that women and men are exactly the same, and are denying the beautiful differences between men and women. All God's gifts are good, but they are not all the same. As I often say to people who tell me that they would like to serve the poor as I do, "What I can do, you cannot. What you can do, I cannot. But together we can do something beautiful for God." It is just this way with the differences between women and men.

God has created each one of us, every human being, for greater things--to love and to be loved. But why did God make some of us men and others women? Because a woman's love is one image of the love of God, and a man's love is another image of God's love. Both are created to love, but each in a different way. Woman and man complete each other, and together show forth God's love more fully than either can do it alone.

That special power of loving that belongs to a woman is seen most clearly when she becomes a mother. Motherhood is the gift of God to women. How grateful we must be to God for this wonderful gift that brings such joy to the whole world, women and men alike!...

...when families are strong and united, children can see God's special love in the love of their father and mother and can grow to make their country a loving and prayerful place. The child is God's best gift to the family and needs both mother and father because each one shows God's love in a special way. The family that prays together stays together, and if they stay together they will love one another as God has loved each one of them. And works of love are always works of peace.

So let us keep the joy of loving in our hearts and share this joy with all we meet. My prayer for all of the delegates, and for every woman whom the Beijing Conference is trying to help, is that each one may be humble and pure like Mary so as to live in love and peace with one another and make our families and our world something beautiful for God. Let us pray. All for the glory of God and good of souls. God bless you.
Mother Teresa, MC

Religious Education

RELIGIOUS ED CLASSES

begin the week of September 7th . All registered families should have received a mailing with the respective calendars and information for the coming year. If you have yet to receive this or have not registered your child, please call the religious education office at 792-8684. Thank you.

RELIGIOUS ED FAMILIES:

Each year in response to the United States Conference of Catholic Bishops' Charter for the Protection of Children and Young People, we have a program for the safe environment education of children and young people supported and mandated by Bishop Thomas Tobin and the Diocese of Providence. This program is called The Circle of Grace Safe Environment Program. The Circle of Grace is described as the love and goodness of God that surrounds us and all others. The program is meant to supplement and be integrated into our program for the formation of children and young people. The program helps our youth to understand their own (and other's) dignity in mind, body and spirit. Each grade will participate in a Circle of Grace lesson throughout the year. For more program information and dates of the lessons, please contact Barbette Cullen or Diane Castro in the Religious Ed Office.
