*From the Pastor*

First a couple of reminders: 1) if you've been volunteering in service to the parish and did not get an invitation to the upcoming appreciation dinner, please let us know as soon as possible: we don't want to leave anyone out; 2) if you got an invitation, please don't forget to let us know if you plan to join us for the event. Again, many thanks to all who serve in the parish and to all who coordinate the appreciation dinner.

I'm writing this the day after the snowstorm. The cleanup proceeds apace and was certainly made easier by the cooperation of the public. I'm encouraged by this exercise in democracy: people freely chose to cooperate with our public servants and officials and stayed home, making it easier for all to enjoy the benefits of cleared roadways that much sooner. A similar thing happened in Boston after the marathon bombing: people were asked by the police to stay indoors to make the apprehension of the suspects easier, and they chose to cooperate. To me, this is a good example of how it should work: people freely choosing to do what is best for the common good.

There is another way to do it as exemplified by the man who was arrested after going down route 95 at 80 mph during the height of the blizzard. He is apparently among those who don't let anyone tell them what to do. The fact that he was wanted on an outstanding warrant makes one wonder about his common sense. In any case, democracy works best when the "demos" the "people" are informed and mature in our judgments.

**Catholic School Assistance**

Parents,  
Now is the time to turn in tuition assistance applications for the 2015-2016 school year. If you have not yet received your forms from the school, please call and inquire about them.

*Regarding Catholic School Assistance:*

The Diocese of Providence urges all parishes to support Catholic Schools by giving aid, as far as possible, when parents request it. As a believer in the value of Catholic Schools, I am happy to do that, both to the fullest extent allowable, and to the extent that the parish can afford.

Some things to note, however! Eligibility for consideration requires that families are:

1. Registered members of St. Francis of Assisi Parish;
2. Contributing members for at least a one year period;
3. Attend church and are actively involved;
4. All applications are turned in to the parish office, whether your child has been accepted yet or not, by March 30.

So, assistance is based on the assumption that there is a *need*, and that the family would not be able to afford sending a child without it. Also, as mandated by the Diocese, the parish only assists students in Kindergarten through Grade 8.

If you haven't already done so, please get your tuition applications into the parish office so that we can begin to look at our budget for F/Y 15-16.

Thank you.

Since 2005, your generous support has provided more than \$1.5 million in assistance to more than 7,800 Rhode Island households in need.

If you would like to help local families this winter with a tax-deductible donation, or, if you know of someone in need of heating assistance, please visit [www.heatRI.com](http://www.heatRI.com) or call 401/421-7833 for additional information.
