## From the Pastor

Religious education resumes this week and I for one am looking forward to meeting our young people and their parents. In the gospel according to John 17:3, our Lord prays at the Last Supper, "Now this is eternal life, that they should know you, the only true God, and the one whom you sent, Jesus Christ." What a privilege it is for parents, catechists, directors, and parish priests to work together with the children and young people to help one another to know God our Father and his only-begotten Son. This is to cooperate in the work of the Holy Spirit.

It is rather a cliché to remark that children are our hope for the future, and like most clichés it is true. I'd like to note, though, that as far as the more immediate future of our parish is concerned, the *parents* are our hope. What a tremendous resource they are for ensuring the continued health of the community that is St. Francis parish. We who have no children in the religious education program are willing to do all in our power to help these men and women in their vocation as Catholic parents.

The first thing we can do is to pray. Psalm 127:1 says "Unless the LORD build the house, they labor in vain who build." Everyone, of any age or background, can petition the Lord to increase our faith. But, as St. Paul teaches in 1 Corinthians 13:2, "if I have all faith so as to move mountains but do not have love, I am nothing." It's easy enough to say we believe in God, but without concrete deeds of love *toward God*, that is not a faith that can bring us to salvation.

Finally, there are still some grades that do not have enough teachers to serve all the students. Please do not fear that you don't have enough theological knowledge to teach religion. First, we can give you some training and resources to equip you to take a group. But second, "faith is caught, not taught," and if you have Catholic faith and a desire to share it with others, God may be calling you to share what you have with some of our young people. Let us know.

Thanks,

Fr. Bodah

### A Word from the Parish Breakfast Chairs

The Parish Breakfast in Matunuck fed an estimated 300 people at this year's annual event and realized a profit of \$1,447. Thank you to all those who joined us and helped out with the breakfast in any way. It has been a pleasure coordinating the Parish Breakfast these past thirteen years and seeing so many enjoy the annual event.

This program is called The Circle of Grace Safe Environment Program. The Circle of Grace is described as the love and goodness of God that surrounds us and all others. The program is meant to supplement and be integrated into our program for the formation of children and young people. The program helps our youth to understand their own (and other's) dignity in mind, body and spirit. Each grade will participate in a Circle of Grace lesson throughout the year. For more program information and dates of the lessons, please contact Barbette Cullen or Diane Castro in the Religious Ed Office.

## Family Liturgies 2014-2015

### THANK YOU CATHY & FRAN

Cathy and Fran Fitzpatrick have done an outstanding job coordinating our annual parish breakfast in Matunuck for the past thirteen years. The breakfast takes many to serve the great crowds that turn out, but the bulk of the work has been done behind the scenes in the quiet planning stages. It is with grateful appreciation for so many dedicated years of service that **we thank Fran and Cathy for all the "detail work"**. Without your quiet behind the scenes work, there wouldn't have been an annual breakfast. Your parish is ever grateful! Job well done!
